

April 26, 2023

Dear Jeff and Sam,

Please accept this letter as formal notification that I am resigning from my position as a System Engineer with Paradise Valley USD. My last day will be May 10th 2023.

Thank you so much for the opportunity to work in this position for the past four years and in the department for nine years. I've greatly enjoyed and appreciated the opportunities I've had to do things that helped and assisted so many staff and students. I've learned so much as a "Padawan" under you, Jeff, Odessa, and Jeremy, all of which I will take with me throughout my career.

During my last two weeks, I'll do everything possible to wrap up my duties and train other team members. Please let me know if there's anything else I can do to help during the transition.

I wish the department continued success, and I hope to stay in touch in the future.

Sincerely,

Shawn Weaver
